Dear Mr. Hesterlee:

I hope you may be able to help route my inquiry to the correct contact in your office. I attempted to email Ms. Wahlstrom and the email bounced back.

Many thanks,

**Subject:** Status of Velella Epsilon NPDES permit decision?

Good afternoon, Ms. Wahlstrom:

I hope my email finds you doing well amid all the chaos these days. I was hoping to check in and see if you could provide any sort of timing or status update for the EPA's decision on the Velella Epsilon/Ocean Era pilot project NPDES permit?

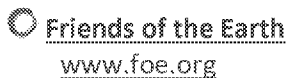

I'm also curious if you happen to have a contact within the U.S. Army Corps of Engineers who is handling that agency's process for the Section 10 permit.

Many thanks! Anything you can offer here would be greatly appreciated.

Hallie
